

New Year Reminders

01/22/20

As of January 1, 2020: NJ law **prohibits** employers from asking applicants about their **salary history** (including wages, commissions and benefits).

Employers are required to use the updated 2020 W-4 form. Employees will need to provide more information than was required previously to complete the W-4 including: pay statements for the employee and, if married, the employee's spouse; other sources of income; dependents for whom a certain tax credit can be taken; and the most recent tax return. The following is a link to the new W-4 form: <https://www.irs.gov/pub/irs-pdf/fw4.pdf>. The following is a link to the FAQs regarding the new W-4 form: <https://www.irs.gov/newsroom/faqs-on-the-2020-form-w-4>.

Also remember that under the Affordable Care Act, an employer is required to inform new employees within 14 days of hire whether the employer provides group health insurance.
